Why York Elevator Services Ltd is the right lift company to Service and Maintain your lift.

Our promise is to deliver an outstanding customer service that will fully meet your expectations.

- ✔ Our experienced and LEIA qualified engineers are all fully LOLER certified and are available nationwide ready to fulfil all of your service needs.
With a vast supplier network at their disposal and technical help from our senior engineer with over 30 years experience you can rely on us to keep your lifts running and safe.
- ✔ With regards to Health and Safety, we are Safe Contractor Approved and our engineers are fully trained and certified to the relevant health and safety standards for our sector.
- ✔ As we are a 24/7/365 business, you can always count on us to be here to deal efficiently with any issues that may arise.
- ✔ We are a well-established lift company with an excellent reputation when it comes to quality and value for money.
- ✔ Our level of service ranges from a Basic (Bronze) cover all the way to Premium (Gold) cover.
We can also create a bespoke package to suit your needs (Platinum).
- ✔ To ensure you are always in safe hands, it's great to know we are a Quality Assured company with BS EN ISO 9001:2015. EN-8120.21.50 Lift Cert and UKAS certificated to design, supply, install and test passenger/goods lifts and a BSI Member.

Nationwide Coverage

Service around the clock

To achieve optimal performance from your lifts requires regular maintenance and occasional repairs. The service York Elevators offers can improve the downtime of your lift while ensuring you meet your legal and operator responsibilities.

Our highly qualified service technicians have the skills and experience along with the required tools to allow us to complete the works safely and on time.
